THE NATIONAL COUNCIL

OF THE CONGREGATIONAL CHURCHES OF THE UNITED STATES.

Organized Oberlin, Ohio, Nov. 17, 1871.
287 Fourth Avenue, New York.

STATEMENT OF FAITH.

ADOPTED AT KANSAS CITY, 1913.

The Congregational Churches of the United States, by delegates in National Council assembled, reserving all the rights and cherished memories belonging to this organization under its former constitution and declaring the steadfast allegiance of the churches composing the Council to the faith which our fathers confessed, which from age to age has found its expression in the historic creeds of the Church universal and of this communion, and affirming our loyalty to the basic principles of our representative democracy, hereby set forth the things most surely believed among us concerning faith, polity and fellowship.

FAITH

"We believe in God the Father, Infinite in wisdom, goodness and love; and in Jesus Christ, His Son, our Lord and Saviour, who for us and our salvation lived and died and rose again and liveth evermore; and in the Holy Spirit, who taketh of the things of Christ and revealeth them to us, renewing, comforting and inspiring the souls of men. We are united in striving to know the will of God as taught in the Holy Scriptures, and in our purpose to walk in the ways of the Lord, made known or to be made known to us. We hold it to be the mission of the Church of Christ to proclaim the gospel to all mankind, exalting the worship of the one true God, and laboring for the progress of knowledge, the promotion of justice, the reign of peace, and the realization of human brotherhood. Depending, as did our fathers, upon the continued guidance of the Holy Spirit to lead us into all truth, we work and pray for the transformation of the world into the kingdom of God; and we look with faith for the triumph of righteousness and the life everlasting.

POLITY

"We believe in the freedom and responsibility of the individual soul, and the right of private judgment. We hold to the autonomy of the local church and its independence of all ecclesiastical control. We cherish the fellowship of the churches united in district, state and national bodies, for counsel and cooperation in matters of common concern.

THE WIDER FELLOWSHIP

"While affirming the liberty of our churches, and the validity of our ministry we hold to the unity and catholicity of the Church of Christ, and will unite with all its branches in hearty cooperation; and will earnestly seek, so far as in us lies, that the prayer of our Lord for His disciples may be answered, that 'they all may be one'."

PURPOSE

"The purpose of the National Council is to foster and express the substantial unity of the Congregational churches in faith, polity and work; to consult upon and devise measures and maintain agencies for the promotion of their common interests; to cooperate with any corporation or body under control of or affiliated with the Congregational churches, or any of them; and to do and to promote the work of the Congregational churches of the United States in their national, international, and interdenominational relations."

MEMBERS

"The voting membership of the National Council is made up as follows: 'The churches in each District Association shall be represented by one delegate. Each Association having more than ten churches shall be entitled to elect one additional delegate for each additional ten churches or major fraction thereof. The churches in each State Conference shall be represented by one delegate. Each Conference having churches whose aggregate membership is more than ten thousand shall be entitled to elect one additional delegate for each additional ten thousand members or major fraction thereof. States having associations but no conference, or vice versa, shall be entitled to their full representation'."

The Secretary and the Treasurer are members ex officiis of the Council.

Provision is made for honorary and corresponding membership.

MEETINGS

Meetings of the National Council are held biennially, usually in October, the next meeting occurring in October, 1923, at Springfield, Massachusetts.

Executive Secretary.—FREDERICK L. FAGLEY, D.D.

This Commission is composed of sixteen ministers and eight laymen elected by the National Council to hold office for two years. It is charged by the National Council to do two things:

FIRST: To bring before the churches the denominational program of evangelism and devotional life based on the following principles:

1. That the chief object of the Christian Church is to win men to Christ and to train them in the worship of God and in the service of their fellows.

2. That the pastor of the local congregation is the spiritual leader of the church, and that upon him rests the responsibility of initiating an aggressive program for winning men in his church and of directing that program along practical lines.

3. That to do this the pastor should avail himself of the experience of other pastors and apply to his own work what is of most value to his particular situation.

4. That the pastor can aid the work of his church by selecting effective helpers from his membership, training them to assist in the work of the church and directing them in their efforts.

5. That the church should look upon its opportunity of leading the young people into the worship and service of the church as the prime object of its religious education program.

6. That the church is responsible for the cultivation of the devotional life of all the people in the church, in the home and in private meditation.

SECOND: To make a continuous study of methods used by effective churches; to make them known to all pastors; and to provide such other helps to evangelism and devotion as are within its powers. Some of the publications are:

1. *Congregational Hand Book.*—With daily Bible readings for the year; prayer meeting topics; information concerning Congregational history and agencies.
2. *The Fellowship of Prayer.*—A booklet of Scripture, meditation and suggestive thought for the Lenten season.
3. *A Book of Prayers.*—For individual and family use.
4. *Devotional Hymns.*—Forty-eight of the great hymns of the church.
5. *A Program of Parish Evangelism.*—An outline for a year's work.
6. *Text-Book for Pastor's Training Class.*—Six lessons.

The work of the Commission is grouped around two centers:

I. *The Program of Fall Activities.*

1. The Fall Rally, to reinterest the members of the church and to enlist new people in the worship and service of the church.
2. Church Visitation of the entire parish.
3. Church attendance campaign.

II. *The Pre-Easter or Lenten Program.*

1. *The Program of Preaching.* This season is especially appropriate for the presentation from the pulpit of the great fundamental Christian truths, that the people within our churches may understand the foundations of faith, and that those without the church may be led to accept the Christian interpretation of life and join in the worship and service of the church.

2. *The Pastors Training Class,* which has for its object the leading of young people to study Christian truth and under the pastor's influence to accept Christ as the personal Saviour.

3. *Training Personal Workers.* The pastor may multiply himself by enlisting and training consecrated workers to co-operate with him in the service of winning others to the Christian life.

4. *The Deepening of the Devotional Life.* That the people may have a new loyalty to Christ and a new determination to manifest his love in the life of the world, increased Bible study, meditation and prayer should be encouraged.

5. *The Easter In-Gathering.*

THE MISSIONARY SOCIETIES.

RELATION TO THE CHURCHES THROUGH THE NATIONAL COUNCIL.

There are three classes of Missionary Societies as they relate themselves to the churches through the National Council: (a) creatures of the National Council; (b) those having membership practically identical with the Council; (c) those co-operating with the Council but actually independent of it.

The organizations which are the creatures of the Council, in that they were organized on its initiative and in that their official boards are appointed directly by the Council, are The Congregational Board of Ministerial Relief, The Annuity Fund for Congregational Ministers and The Foundation for Education.

In the second class fall The American Board of Commissioners for Foreign Missions, whose membership consists of the members of the National Council, with 150 additional members-at-large elected by the Board in biennial meetings in connection with the Council; The Congregational Home Missionary Society, with 90 additional members; The Congregational Church Building Society, with 30 additional members; The Congregational Sunday School Extension Society, with 18 additional members (these three being operated by a common Board of Directors with common officers); The American Missionary Association, with 60 additional members; The Congregational Education Society, with 18 additional members, and The Congregational Publishing Society, with 18 additional members (the last two Societies are administered by a common Board and common officials.

In the third class fall the Woman's Boards of Missions, which cooperate with the American Board of Commissioners for Foreign Missions, and whose membership is selected from contributing auxiliaries of women in the churches; and the organization of women for home missions commonly denominated Woman's Home Missionary Unions, and associated together in the Woman's Home Missionary Federation, whose membership is likewise selected from the giving constituents.

THE COMMISSION ON MISSIONS.

Office, 287 Fourth Ave., New York City.

It is seen that the control of the missionary organizations is in the churches themselves through their representation in the National Council. The agency for unifying the processes and expressing the will of the churches as voiced by the Council is called The Commission on Missions.

The composition of The Commission on Missions is most democratic. It consists of 56 voting members, nominated one by each of the National Societies or groups; one by each self-supporting state, and one by each of several groups indicated in the constitution of the National Council. These, with a group of 16 chosen at large, and the Secretary of the Council *ex officio*, constitute the Commission. With them sit, for the purpose of furnishing the most intimate information, the chief promotional Secretaries of the several Societies and Commissions, and once each year the superintendents of the State Conferences. By this organization the churches are able to express their wishes effectively, and the Societies are given a unifying force of high value.

The functions of the Commission on Missions are chiefly three: (a) to promote economy in missionary administration; (b) to promote efficiency in missionary work; (c) to stimulate the missionary income. The Commission also serves as a court of reference for the decision of questions between the several organizations. Its chief meeting is held in connection with the Midwinter Conference of the Church Extension Boards and other Societies, thus economizing travel expenses and assuring full representation. In detail its work is carried forward by a carefully selected Executive Committee, which keeps in touch with the entire Commission by the circulation of the minutes of each meeting of the Executive Committee.

GOLDTHWAIT, M.D.; J. LIVINGSTON GRANDIN; ASHLEY D. LEAVITT, D.D.; ARTHUR H. BRADFORD, D.D.; CHARLES S. OLCOTT; Rev. GEORGE W. OWEN.

The American Board has 20 missions in 9 great areas whose total population is about seventy-five million. It has 780 foreign workers and 5,590 native workers and maintains 1,029 schools of all types, with 79,222 pupils. The Christian community numbers about 240,000.

During its 112 years of uninterrupted activity, the Board has seen great changes in the world. It has faced catastrophes and crises such as it now faces in Turkey. It has had to readjust its organization, methods, and even policies time after time; yet it has lived to see many triumphs of God scored in days of seeming disaster, and as a consequence, it has been given a faith that breeds optimism no matter how dark the day. Out of its long experience also it has gained wisdom and endurance for what may prove the greatest and most costly struggle of its history; viz., the winning of the Moslem world to a knowledge of the true Messiah.

The reports from most of the fields are encouraging. From some come reports of significant victories; and from all come urgent requests for funds and reinforcements measuring up to the opportunities faced. Political and social changes in various lands seem to be working out to the advantage of the Gospel. Never has Christ been needed more; never has humanity seemed more religiously inclined. The churches can push forward in the faith that constructive work is possible in every one of their mission centers.

The American Board closed its fiscal year August 31, 1922, with a total debt of $180,039.94, a sum nearly equal to the loss in gifts from churches and individual donors as compared with last year. The entire receipts for the year from all sources, were $1,901,079.36. For an adequate manning and financing of the work established, at least $631,000 additional must be obtained.

Steps have been taken toward closer co-ordination between theAmerican Board and the three Woman's Boards. Joint meetings are held between the Prudential Committee and the representatives of the Council of Woman's Boards. The foreign missionary magazines representing the American Board and the Woman's Boards have been consolidated into the Missionary Herald, the first issue of which came out in January, 1923.

The Board is engaging in an increasing number of union enterprises abroad, not only with other American denominations but also with those of Great Britain. It stands everywhere for co-operation and unity in Christ.

FIELD

extends from the Atlantic Coast to the Hawaiian Islands, and Porto Rico. It includes in the South, the Negroes and the Whites, both in the mountains and the lowlands; in the West, the Indians; on the Pacific Coast, the Chinese, Japanese and Hindus; and in Porto Rico and Hawaii, those of various races. It conducts educational work among the Mexicans in New Mexico.

PURPOSE AND METHOD.

The American Missionary Association is training leaders for these different races. This involves an

INDUSTRIAL LEADERSHIP.

The Association years ago introduced into its schools Industrial Training. All our principal schools now give this training. The aim is not simply to instruct the few in handicrafts, but to give to the many an intelligent and efficient industrial leadership within their own race, which shall encourage industrial activity and lead to economic development.

AN INTELLECTUAL LEADERSHIP.

is also furnished through the colleges and higher institutions. No race can be lifted by the means of Industrial Training alone. The larger development of intellectual life is essential to secure to any race influence and power. This the Association recognizes and provides for. In its normal schools hundreds of teachers are trained for the public schools. This training of teachers is of supreme importance in the elevation of any people.

MORAL AND RELIGIOUS LEADERSHIP.

Departments of Biblical and theological instruction, in which ministers and missionaries are trained for the service of their own people, are provided by the Association. Character building and religious instruction are everywhere a part of school training. High moral standards can be met only by a well-trained moral and religious leadership.

EDUCATIONAL WORK

includes normal, theological, college, academic, and grade teaching, with instruction in manual training, domestic science, mechanical arts and agriculture. There are five chartered institutions for colored students as follows: Fisk University, Talladega College, Tougaloo College, Straight College and Tillotson College. Piedmont College gathers a large body of white students. There are also secondary and elementary schools to the number of 27. The total enrollment in all the institutions of The American Missionary Association last year was 8,194.

CHURCH WORK.

The value of Congregational churches in the field occupied by The American Missionary Association cannot be measured by the number of these churches. Missions are established which often do not grow into organized ecclesiastical bodies. This is especially true among the Indians. These missions, however, are of large value in bringing the influence and light of the gospel to darkened and neglected peoples. Many of the Congregational churches maintain these missions in their vicinage and so multiply their work. Our high ideals of church life maintained by these Congregational churches render somewhat slow the progress of their organization. This is true especially where there is an inadequate intelligence and leadership. An emphasis of the dignity and sacredness of church membership is thus impressed.

Among the Negroes there is an increasing expression of the ambition and desire for expansion and growth. These evidences of progress in the church work are encouraging.

LITERATURE.

Interesting leaflets representing the work of The American Missionary Association can be secured at any time by sending to one of the offices.

The American Missionary magazine is published monthly, representing the work of the several home missionary societies. The subscription price is *seventy-five* cents per year.

PURPOSE

To make closer, more sympathetic and more mutually helpful the relations of the churches and educational institutions of our fellowship, the National Council created the Congregational Foundation for Education with the following purposes:

1. To promote the ideals of the churches of the Congregational fellowship through institutions of secondary and higher education which possess those ideals and share in that fellowship.
2. To make available the resources of our fellowship for the counsel and encouragement of these institutions in the realization of our common purposes.
3. To establish a permanent fund, the income of which shall be used to aid the upbuilding and maintenance of these institutions.
4. To provide an agency for the study of the educational problems of these institutions and for the administration and distribution of these funds in such ways as shall best further the common interests and ideals of these institutions and our churches, by the maintenance in these institutions of high standards of educational efficiency and moral and religious purpose.

POLICY

In seeking to meet the needs and requests of institutions, the Foundation will have in mind:

1. A careful appreciation of all the values represented in these institutions.
2. The fidelity shown by such institutions in the matter of trusts committed to them.
3. The relation of these institutions to such a general distribution of educational privileges as in scope and geographical location shall both effectively and economically serve the wide interests of Christian education.
4. The approval of local and state Congregational bodies which shall be a necessary condition of assistance.
5. The development of promotional facilities in the Foundation which shall be available for cooperating institutions.

In view of the present emergency in many institutions and the inadequacy of funds immediately available, the Foundation will encourage the following policy for the immediate future:

1. The establishment of cooperative relations between institutions where practicable.
2. The maintenance of certain institutions as Junior Colleges such arrangement being without prejudice as to the future.
3. The development of such a system of transfers and scholarships as may help to relieve the present lack of adequate funds.

THE WOMAN'S BOARDS OF FOREIGN MISSIONS.

The three Woman's Boards are corporate bodies, chartered under the statutes of Massachusetts, Illinois and California, respectively. They cooperate with the American Board, carrying responsibility for the work for women and children in the same mission fields. Their missionaries receive appointment from the Prudential Committee of the American Board and are enrolled as its missionaries. The Woman's Boards determine their own budgets, the number of missionaries they will support, and the amount they will appropriate for the work under their care. They collect money through Branches, Auxiliaries and Mission Circles, and support missionaries as teachers, evangelists, doctors and nurses. The women, girls and children of the churches are the constituency upon whom rests the responsibility of providing the necessary funds. The three Woman's Boards cooperate with the American Board in the publication of the *Missionary Herald*, and each has a representative on the Editorial Staff.

OBJECTS.

To maintain, in the city of Boston, a CONGREGATIONAL HOUSE; to care for and perpetuate a library of books, pamphlets, and manuscripts, and a collection of portraits and relics of the past; to promote friendly intercourse and cooperation among Congregational ministers and churches, and with other denominations; and to do whatever else—within the limits of its charter—shall serve to illustrate Congregational history and promote the general interests of Congregational churches.

MEMBERSHIP.

The membership of the Association consists of Congregationalists who have been elected by the Directors at any regular meeting. There are two classes of members—Life and Annual. Annual members pay an annual assessment of $1.00. The payment of $10 at one time by a member constitutes him a life member. All members are required to sign the Constitution or otherwise accept membership in writing. All moneys received for membership are applied exclusively to the increase of the library. Since vacancies in the ranks of members frequently occur, all who have at heart the best interests of our denomination are urged to join the Association and thus help to sustain worthily this central heart of Congregationalism, which is ever sending out streams of life to all parts of the world that are reached by the work of our churches.

THE CONGREGATIONAL HOUSE.

It was erected in 1898 and dedicated on Forefathers' Day of that year. The cost (including land) was $63,000, of which $218,000 remained as a mortgage on the property. But through the income derived from rentals, and through prudent management, the debt had been reduced to $49,000, but has now been increased to $89,000 in consequence of a much-needed addition to the building. The House provides attractive quarters for the Congregational missionary societies, which rent the larger part of the building. An annual appropriation is made to each of these, in the form of a rebate on its rentals. It is highly desirable that the debt should be cancelled as soon as possible by direct gifts and legacies, that the goal of the Association may be reached in reducing to its lowest terms the rentals charge to these societies. Contributions to the library, of all historical material illustrating the varied activities of our churches, are also earnestly solicited.

THE CONGREGATIONAL BOARD OF PASTORAL SUPPLY.

615 Congregational House, Boston.

Directors.—Rev. Watson L. Phillips, D.D., Chairman; Sylvanus G. Morse, Treasurer; Appleton P. Williams, Auditor; Rev. Thompson E. Ashby; Rev. Gideon A. Burgess; Rev. Richard H. Clapp; Rev. Frederick E. Emrich, D.D.; Judge Warner A. Graham; A. Tyson Hancock; C. E. House; George F. Kendall; Prof. Warren J. Moulton, D.D.; Rev. D. Augustine Newton, D.D.; Rev. Edward R. Stearns; Irwin W. Tapley; Rev. W. B. Tuthill, D.D.; Rev. J. Spencer Voorhees; Rev. E. L. Wismer; Rev. H. P. Woodin, D.D.; Rev. Frank G. Woodworth. D.D.

Secretary.—Rev. Arthur J. Covell.

This Board is maintained and controlled by the Congregational Conferences of the six New England states. It is an advisory agency in aiding pastoral settlements. Its rule is to make recommendations to a church only in response to direct official request. It is the servant of the churches, and is entirely responsible to them.

Our business is to set before the churches clear and impartial and considerate testimonies relative to ministers concerning whom they make inquiries. We give names of men available for the pastorate, if that is desired; and we designate and engage men to preach with reference to settlement whenever that may be left with us. We also furnish temporary or occasional supplies wherever thay may be wanted. The Secretary visits churches upon request, supplying the pulpit and meeting the committee of the church.

The Secretary also visits the theological seminaries, that he may, so far as possible, know personally the men of the senior classes who are ready for settlement. And as far as desired, and other duties permit, he speaks before associations of churches and ministerial unions in the interests of the work for which the Board stands.

The work of the office is large and increasing. We have carefully recorded statements concerning more than half of all the Congregational ministers in the country, and of nearly all those in New England. The churches served by us are most largely in the New England states, but our business reaches to almost every state, and passes even a little beyond the bounds of the Union.

The records of our office contain important facts relative to the churches that have corresponded with us. They cover preaching engagements of every sort made through our agency, and they include copies of all letters descriptive of ministerial standing and capacity. Nothing is done that is not put within reach of authorized inspection.

It is not meant that anything should be done as a matter of merely personal favor or disfavor. It is not intended either that the individual judgment of any one person should be much put forward as of decisive weight. In matters concerning ministerial character and capacity it is meant that there should be gathered in, as far as possible, the general judgment of discerning men who have had opportunities of knowledge; and it is the business of the Secretary to place this general judgment as best he can before those who have need to know and the right to know what it is.

The expenses of the Board are borne chiefly by contributions from the churches of New England, through the treasuries of the State Conferences. Fees are charged, however, to ministers for the furnishing of opportunities for the occasional supplying of pulpits, and also for aid in securing pastoral settlements outside of New England. Within New England, there is no settlement fee. No charge is made to churches anywhere. But churches outside of the six cooperating states have often assumed the payment of office fees which might otherwise have been paid by the ministers concerned.

The Iowa Congregational Hospital is the only hospital established by our denomination in the United States. The first building was dedicated in November, 1917. It was built at a cost of about $100,000. It is modern and scientific in construction and equipment, making it an up-to-date hospital.

The Nurses' Tra ning School is accredited by the state. It has a three-year course. Thirty young women are in training. Young women desiring to enter the training school should write the President regarding entrance requirements.

The Hospital Association owns commodious grounds with ample room for a number of new buildings, which are greatly needed. A new building for patients. should be built at once, also a nurses' home.

A gift of $25,000 for the nurses' home would give the privilege of naming the building as a memorial to the donor or the one designated by the donor. Here is a splendid opportunity to erect a fine memorial hospital building or nurses' home to the memory of some loved one and do a service for the relief of the suffering for generations to come.

Bequests intended for the hospital should be made payable to the Iowa Congregational Hospital Association.

For information regarding the hospital, address Rev. Charles Parsons, President, 328 Century Building, Des Moines, Ia.

The Seminary aims (1) to develop the practical side of the religious life, and thus produce an evangelistic and spiritual ministry; (2) to give the student an insight into modern methods of interpretation, but so as to produce a constructive scholarship; (3) to find God and the Holy Spirit in history and the Church; to see Christ in the lowliest forms of philanthropic endeavor; and thus preach a gospel for the whole life. The Seminary aims to enable the student to have definite convictions and yet a mind open to the advances of scholarship.

The courses of instruction are arranged to meet the needs of the Southern field. The regular theological course embraces three years of study. At its completion the degree of B.D., or B.B.L. is given. The English theological course is designed to meet the needs of many pastors who are desirous of entering upon a course of study, but who are too advanced in age to take the regular college preparatory requirements. In such cases the course embraces three years of study besides the regular English preparatory studies. Special courses for intending Y. M. C. A. and Y. W. C. A. secretaries, for church secretaries, and for social workers are also given in cooperation with the Associations and Churches of the city of Atlanta.

The books of our library will be sent to pastors and teachers, free of cost save postage, to all who comply with the usual rules safeguarding their return.

TERMS OF ADMISSION.—Candidates for admission must be members of some evangelical church. Courses are opened to students of either sex.

EXPENSES.—No charge is made for tuition. Incidental charge for room rent is $10 per year. Board can be obtained for $4 per week. A limited amount of student aid is given to worthy men. Preaching and missionary work in connection with the prosecution of studies are possible.

The sole purpose of Bangor Theological Seminary is to train men and women to become preachers, pastors and teachers, and missionaries. Its primary and all its supplementary means of instruction seek this one end. It is open to Christians of any denomination.

It offers to college graduates, and to those who have received equivalent discipline, the opportunity to gain a thorough, modern, practical, ministerial training, and makes it possible for good students who are thus qualified to complete in three years the studies required for the degree of Bachelor of Divinity.

At the same time it makes provision for those who are belated in beginning their ministerial preparation, and who have not had the privilege of the usual full and unbroken academic training. The studies are adapted to their needs, with the hope that they will be able, in a somewhat longer time, to cover the full course. A considerable experience has shown that there are many earnest young laymen in our churches whose early studies, practical experience, and natural gifts qualify them to prosecute theological studies successfully. They often become most able and efficient ministers.

Attention is called to the well selected and steadily growing library of the Seminary now containing over 34,000 volumes; to its fine gymnasium under a competent physical director; to Convocation Week, with its group of eminent lecturers and its gathering on this occasion from northern New England of a great company of working ministers.

Because of the adoption of the cooperative plan in the boarding house, the necessary expenses of the student may be kept within very moderate bounds.

Requests for catalogues, letters of inquiry, or applications for admission should be addressed to Warren J. Moulton, President.

BENJAMIN WILLARD ROBINSON, PH.D., Registrar, Professor of New Testament Interpretation and Theology.

ERNST T. KRUEGER, A.M., Instructor in Social Economics.

CLAYTON D. CRAWFORD, Instructor in Public Speaking.

To this list of the Faculty of the Seminary there may be added for academic advantages both the Faculty of the Divinity School and also other of the Faculties of the University of Chicago whose work contributes to one's education for Christian service. The eight years since the Seminary affiliated itself with the University have served to work out such a fine cooperation that the students have all the advantages of the larger institution and the particular advantages of what would be called in an English University a College group for fellowship and for the enrichment of the spiritual life.

The Seminary year is divided into four Quarters of about eleven weeks each. The number of faculties and the arrangement of courses is such that one can enter upon a course of study or pick up a broken one at the beginning of any Quarter without serious inconvenience. The Summer Quarter, beginning about the twentieth of June and continuing through August, is divided into two terms; the courses are so arranged that either term makes a unit, and both together make a complete Quarter.

The connection between the Seminary and the undergraduate department of the University is such that the last year of the college work may be identical with the first year of the Seminary. The arrangement of term periods, of class schedules, and of correspondence work affords a flexibility enabling men of various ages, experiences, and responsibilities to get their training with the maximum economy of time and money.

Incorporated, 1913.

WILLIAM DOUGLAS MACKENZIE, D.D., LL.D., *President.*

The Hartford Seminary Foundation is the corporate name for a group of interdenominational schools, including Hartford Theological Seminary, Hartford School of Religious Pedagogy and Kennedy School of Missions. Each school has its independent faculty, its distinct body of students and its individual curriculum. Taken together they provide scholarly and practical training for the Christian ministry, for the mission field, for the educational work of the Christian Church, and for the various forms of lay service at home and abroad.

Courses in each school are taken by students in the other schools. For example, students in the Seminary and the School of Missions do their work in Pedagogy and Psychology in the School of Pedagogy, and all students of the Foundation receive instruction in Missions in the School of Missions.

THE AIM of the Seminary is to prepare men for the ministry of the Gospel at home and abroad. It uses the resources of modern scholarship in the service of the evangelical faith in training for various forms of ministerial work.

THE CURRICULUM requires a definite number of class hours for graduation. These must include certain general topics in theology. Beyond these, freedom of election is allowed, under faculty supervision. Opportunity is thus afforded for a broadly generalized or a closely specialized training. Diplomas are granted to all students completing the regular course. The degree B.D. is given for the completion with special credit of the regular course, and the presentation of an approved thesis.

GRADUATE STUDY is strongly encouraged. The degrees S.T.M. and PH.D., are given under carefully defined conditions. Two fellowships of $700 each are provided. One of these is awarded each year for two years of foreign study; and two of $500 each, for one year of post-graduate study in residence.

THE EQUIPMENT includes a library of 119,000 volumes and 56,000 pamphlets unusually rich in history and liturgics; a museum, a reading room, gymnasium, music room, etc.

ADMISSION.—Candidates for admission must be members of some Christian church and graduates of some college, or having an equivalent preparation. The Seminary is open to women under certain conditions, but on the same requirement of college graduation as men.

EXPENSES.—No charge is made for tuition or for rooms except a nominal fee of $25 to cover heat, light, etc. Board is provided under the care of the Students' Association at about $6.75 per week.

SCHOLARSHIP aid is granted for those needing it, varying in amount according to grade standing.

The School is located at Berkeley, the seat of the University of California. It is thus enabled to avail itself largely of the advantages of this University, among the foremost in the United States, it courses being open to students of this school upon certain conditions. Courses by the professors of the University above named have been incorporated in the theological curriculum, these men forming, to all intents and purposes, an associate faculty. The Library of the University (over 350,000 volumes) and the special library of the school (16,500 volumes) afford large opportunities for special study. Instruction in medicine can be had in the Medical School of the University, and better preparation in the languages of China and Japan can be had than in the Orient itself. The climate is remarkably even constantly cool, stimulating and favorable for study during the entire year, knowing nothing of debilitating spring changes or prostrating summer heats.

The main purpose is to train men for the practical ministry. Courses in Exegetical. Historical, Systematic and Practical Theology are provided. The prescribed courses, about two-thirds of the whole, cover the fundamental parts of all departments. For the rest, the student, so far as prepared, is allowed to choose freely among electives covering all recognized branches. These courses are arranged in four groups—pastorate, religious education, social service, missions. Eighty units of credit are the required minimum for graduation, a unit represent-one class-room exercise a week for a half year. Hebrew and Greek are not required for the degree of b.d., but unusual facilities are furnished for acquiring them. The University of California has established an excellent course in modern charities.

The Seminary is open to students of every Christian denomination, to women as well as to men. A college degree is required for admission to regular standing as a candidate for the b.d. degree. Advanced courses are provided for graduate students. Special students may be received, as in the University, to such studies as they are qualified to pursue.

Regarding expenses and pecuniary aid, and for further information, address Dean Bade.

The next year begins August 20, 1923.

Maintenance and Relation to Talladega College.—Talladega Theological Seminary is the one Theological Seminary maintained by the A.M.A. for the training of Negro ministers. It is a coordinate department of Talladega College, and by a system of cross-credits, students can take college and seminary degrees in six years. Similar work in the colleges of the same rank as Talladega is accepted in the Seminary.

Aims.—The Seminary stands for character, scholarship, and service. It aims to develop leadership among a great and needy people, through long and severe training under competent guidance.

Courses of Study.—The Seminary maintains two distinct courses of study —the Theological and the Diploma. Courses are offered also in Social Service Practice, Community Methods, Rural Economics, Music, Religious Education and Sunday School Methods. Emphasis is given to the study of the English Bible, pursued in a reverent spirit and according to modern historical methods.

The College and Seminary offer courses in Bible, Christian Doctrine, Social Service, Church History, Missions and the History of Religion, looking toward Y.M.C.A., Y.W.C.A., and other forms of Christian Service.

Requirements for Admission and Graduation.—For the Theological Course, the four years of college are desirable. As this is not in all cases feasible, men having two years in college work are accepted. Upon completion of the course the degree of b.d. is given. Two years of Greek are offered to all who have had two years of preparatory Greek. For admission to the Diploma course, the student is required to complete a High school course or its equivalent on completion of the course a Diploma is granted.

Equipment and General Advantages.—The Seminary is housed in a commodious building, equipped with steam heat, electric lights and a shower bath. Students have the advantage of the college and Seminary libraries of college classes and student societies. All denominations are received on equal terms.

Expenses.—Tuition free. Students pay for board, laundry and incidental fees. The bare necessities are not less than $175 a year. There are opportunities for self-help, and some student funds are available under certain conditions for those whose scholarship is satisfactory.

For further information, address Acting Dean James Hyslop.

The College is openly and frankly interdenominational in its attitude and appeal, and students of various denominations are now in attendance upon equal terms. It was organized, however, by Congregationalists and took over undergraduate and foreign work of the Chicago Theological Seminary; its Faculty and Board of Directors are nearly all Congregationalists. It depends primarily for sympathy and financial support on the denomination responsible for its origin and ongoing.

The College is centrally located, adjoining the New First Congregational Church, which offers unusual opportunity for church work and worship. High school graduation is the standard requirement for entrance. The usual seven-year college and seminary curriculum is systematically abridged into four years by selecting the most essential theological and as many college studies as can be provided in the time available.

The ten major branches included are as follows:

(1) The history, contents and use of the English Bible.
(2) Preaching, Evangelism and Pastoral Ministry.
(3) The History of Religion among the Nations.
(4) Christian Faith and Theology.
(5) Religious Education and Social Christianity.
(6) Ancient and Modern History.
(7) English Language and Literature.
(8) The Natural Sciences.
(9) Psychology, Ethics, Philosophy.
(10) Ecclesiastical and Civic Organizations, Denominational Polity, Missions.

The College offers the degree of Bachelor of Theology (TH.B.) to those fully qualified who complete the course in a satisfactory manner and present a thesis of not less than five thousand words on a subject acceptable to the committee on graduation. In no case will the College bestow its degree upon students who have not met the requirements—a high school course or its full equivalent, a satisfactory completion of the course of study, and an acceptable thesis.

For information address the PRESIDENT or the SECRETARY, 44 North Ashland Boulevard, Chicago, Ill.

ANNUAL STATISTICS OF CHURCHES.

The following pages contain the statistics for 1922, as collected by the statistical secretaries of the state organizations, and compiled for this publication under vote of the Executive Committee of the National Council. They are of date Jan. 1, 1923, except that changes in pastorates are corrected, as far as possible, until proof goes to press. Corrections, however, are not made in summaries of churches and ministers affected thereby. Summary records are as originally reported.

EXPLANATIONS

1. The first name in the list of churches is usually the name of the *place* (town or city) in which the meeting-house is located. This is also the name of its postoffice, unless followed by a name in **heavy-faced** type. THIS EMPHATIC TYPE IS USED FOR NAMES OF POST-OFFICES. If this postal word is an adjective, it goes with the preceding name, *e. g.*, "Newton **West**"; if itself a name, it supersedes the other, as "Newton, **Auburndale.**"

2. When a church has failed to report, items of church and Sunday School membership and value of church property are inserted from record in the previous Year-Book. This is done that these items may be included in the summaries and comparative tables, thus minimizing the possibility of the real progress of the churches being unduly diminished by failure of churches to report.

3. Any church given in brackets is one reported admitted to the conference since Jan. 1; not included in the summary, but inserted for information.

4. Pastors installed by council are marked "*i*"; pastors recognized by council are marked "*r*"; others in service are considered pastors, except where otherwise distinguished. A blank in the column of "*pastor*" indicates no pastor at time YEAR-BOOK was published. The tables are *not* A POSTAL GUIDE TO THE ADDRESSES OF MINISTERS; for addresses refer to Alphabetical Lists in the back of the book.

5. An asterisk (*) before a pastor's name indicates that he serves a yoked field. The list of "yoked churches" may be found in the summary. This list does not give the names of churches but church numbers according to schedule.

6. Under church "Members," the number "Absent" are included in the figures under "Total." "Rev." under "Removed" includes both discipline and roll revision. Adjustment of errors and omissions in church reports in the number admitted and removed is made in the SUMMARY by adding to or subtracting from the number of "Removals" by "revision," making a corresponding change in Total "Removals," so that comparison of total "Additions" with Total "Removals" shows the same increase or decrease in membership as is shown by comparison of total membership with that reported in SUMMARY, 1921 Year Book.

7. The column headed "Other Apportionment Items" includes gifts to the Annuity Fund's supplementary account; to the Foundation for Education; to the "miscellaneous" account of the Commission on Missions from which payments were made to the C.H. M. S. for the Chaplains' Fund; to the American Bible Society; and to the Federal Council of Churches of Christ in America; and to other work included within the apportionments of certain states and cities.

8. Several groups of Congregational foreign-speaking churches finance and control missionary enterprises for their own people similar to our regular missionary work. Such contributions are reported in totals under "Special Congregational Items and marked ♀ in columns affected. Under the form of organization in Hawaii, the Hawaiian Board administers work comparable to that done in the States, through the C. H. M. S., C. C. B. S., C. S. S. E. S., and C. E. S., there being no differentiation, the total is credited in the column "Other Apportionment Items" and marked ♀ in columns affected.

9. Amount of Home Expenses includes all salaries, together with missionary aid, operating expenses for church, Sunday School, choir and parish, also cost of new building, repairs and improvements paid for during 1922.

10. Under "Salary" in the summaries, "pastoral units" include the total number of pastors of individual churches, pastors serving yoked fields, and vacant churches reporting amount of salary. Endeavor has been made to eliminate part time workers, such as students, serving during the summer.

CONGREGATIONAL CHURCH ASSISTANTS

In a growing number of churches specially trained but unordained men and women are engaged to supplement the work of the pastor or pastors. This service is rendered under a variety of titles, and in varied fields. Some are directors of religious education, some church secretaries, some parish visitors, some have a combination of two or more functions. It is evident that there will be a growing demand for workers of this sort as the churches enlarge their conception of the task resting upon them and as they come to perceive the central place of a sound program of religious education in the church's life.

A Congregational League of Church Assistants was organized in October, 1915. This League endeavors to be of service to those who are seeking training and to bring together churches and workers. Inasmuch as very few of the existing body of such workers are men, membership in the League is confined to women.

The following is a list of paid church assistants reported Jan. 1, 1923, irrespective of their member ship in the League.

CONGREGATIONAL MINISTERS IN FULL STANDING

"The National Council has affirmed that the ministerial standing of an ordained man is completed and constituted only by membership in a District Association, or State Conference, and is sustained by the maintenance of such membership."

The following is a compilation of the lists furnished by the State Registrars and corrected by correspondence to the latest possible date.

The figures following a name indicate page or pages on which it is found and ordination date when not found on another page.

A star (*) before a name indicates that the person is not now reported by any Conference registrar. It appears desirable to retain such names for a period of two years in order to give opportunity for completing transfer of membership from one association to another as well as for correction of errors.

A dagger (†) indicates that the address has not been verified.

Names of persons variously employed are indicated by *Ch.*, chaplain; *Ed.*, editor; *Ev.*, evangelist; *My.*, missionary; *Pf.*, professor; *Pn.*, principal; *Pr.*, president; *Sec.*, secretary; *St.*, superintendent; *T.*, teacher; *bus.*, business; *lec.*, lecturer.
